Per the master use license agreement referenced above, the license is conditioned upon payment of the fee in full. Rights granted thereunder become irrevocable upon receipt of payment. This invoice covers the sound recording (master) only; synchronization rights in the underlying musical composition are licensed separately by its publisher(s). Please include the invoice number with your remittance. Payment is due within the terms stated above from the later of (a) full execution of the agreement and (b) receipt of this invoice and IRS Form W-9.
