3.3 No Royalties; Clearances Included. Except as expressly set forth herein, the Fee is a one-time flat fee, and no additional royalties, residuals, or reuse fees shall be payable by Producer in connection with the exploitation of the Picture in the licensed Media. No casual or inadvertent failure to accord credit shall constitute a breach of this Agreement, provided that Producer shall use commercially reasonable efforts to prospectively cure any such failure on future prints and copies following written notice.

6. NO OBLIGATION TO USE

Nothing herein obligates Producer to use the Master in the Picture, or to produce, release, distribute, or exploit the Picture. If the Master is not used in the Picture as initially released, this license shall be deemed terminated; provided that the Fee, once paid, is non-refundable [unless otherwise agreed in writing].

7. REPRESENTATIONS AND WARRANTIES

7.1 By Master Owner. Master Owner represents and warrants that: (a) it owns or controls the Master and has the full right, power, and authority to enter into this Agreement and grant the rights herein; (b) it has obtained (or shall be solely responsible for) all consents, clearances, and payments required in connection with the Master and its use as authorized herein, including without limitation artist consents and royalties, producer royalties, session musician payments, and any payments required under applicable collective bargaining agreements (including AFM and SAG-AFTRA), and any applicable new-use or re-use fees; and (c) neither the Master nor its use as authorized herein will infringe upon or violate the rights of any third party, including rights of publicity or privacy; provided, however, that Master Owner makes no representation or warranty with respect to the underlying Composition, the clearance of which is Producer's sole responsibility.

7.2 By Producer. Producer represents and warrants that: (a) it has the full right, power, and authority to enter into this Agreement; (b) it has obtained or will obtain, prior to any exploitation of the Picture

embodying the Master, a valid synchronization license from the publisher(s) of the Composition; and (c) it will not use the Master except as expressly authorized herein.

No claim may be settled in a manner that imposes liability or admission on an indemnified party without its prior written consent.

9. REMEDIES

Licensor's rights and remedies for any breach of this Agreement by Producer shall be limited to an action at law for money damages, and in no event shall Licensor be entitled to rescind or terminate this Agreement or the rights granted herein, or to seek or obtain injunctive or other equitable relief enjoining or restraining the production, distribution, exhibition, advertising, or exploitation of the Picture.

10. ASSIGNMENT

Producer may assign this Agreement, in whole or in part, to any parent, subsidiary, or affiliated entity, to any successor in interest, or to any entity acquiring rights in the Picture (including financiers and distributors), provided that Producer shall remain secondarily liable for payment of the Fee unless the assignee is a major studio, streaming service, or financially responsible party that assumes Producer's obligations in writing. Licensor may assign its right to receive payment hereunder but may not otherwise assign this Agreement in a manner that diminishes Producer's rights.

11. NOTICES

All notices shall be in writing and delivered by personal delivery, reputable overnight courier, certified mail (return receipt requested), or email (with confirmation of receipt) to the addresses set forth above, or such other address as a Party may designate by notice.
